

Nookie

FIDLAR

Check

One, one, two

I came into this world as a reject
Look into these eyes
Then you'll see the size of the flames
Dwellin' on the past
It's burnin' up my brain
Everyone that burns has to learn from the pain
Hey, I think about the day
My girlie ran away with my pay
When fellas came to play
Now she's stuck with my homies that she fucked (ooh)
And I'm just a sucker with a lump in my throat

Like a chump
Like a chump
Like a chump
Like a chump
Like a chump
Like a chump
Like a chump

Should I be feelin' bad?
Should I be feelin' good?
It's kinda sad, I'm the laughin' stock of the neighborhood
And you would think that I'd be movin' on
But I'm a sucker like I said, fucked up in the head
And maybe she just made a mistake
And I should give her a break
My heart will ache either way
Hey, what the hell, what you want me to say?
I won't lie that I can't deny

I did it all for the nookie
(Come on) the nookie
(Come on) so you can take that cookie
And stick it up your (yeah)
Stick it up your (yeah)
Stick it up your (yeah)
Stick it up your

I did it all for the nookie
(Come on) the nookie
(Come on) so you can take that cookie
And stick it up your (yeah)
Stick it up your (yeah)
Stick it up your (yeah)
Stick it up your

Why did it take so long?
Why did I wait so long, huh?
To figure it out? But I did it
And I'm the only one
Underneath the sun who didn't get it
I can't believe that I could be deceived
By my so called girl

Had a hidden agenda
She put my tender heart in a blender
And still I surrendered

Like a chump
Like a chump
Like a chump
Like a chump
Like a chump
Like a chump
Like a chump

I did it all for the nookie
(Come on) the nookie
(Come on) so you can take that cookie
And stick it up your (yeah)
Stick it up your (yeah)
Stick it up your (yeah)
Stick it up your

I did it all for the nookie

I'm only human
It's so easy for your friends
To give you their advice
They'll tell you, just let it go
But it's easier said than done

I appreciate it, I do, but
Just leave me alone
Leave me alone
Just leave me alone
Ain't nothin' gonna change
You can go away
I'm just gonna stay here and always be the same

I did it all for the nookie
(Come on) the nookie
(Come on) so you can take that cookie
And stick it up your (yeah)
Stick it up your (yeah)
Stick it up your (yeah)
Stick it up your

I did it all for the nookie
