

# Running on Empty

FIDLAR

Looking out at the road rushing under my wheels  
Looking back at the years gone by, like so many warm beers  
At 21, I was throwing up and running up & down the one  
I dunno where I'm running now, I'm just running on

Running on, running on empty  
Running on, running blind  
Running on, running into the sun, but I'm running behind  
Running on, running on empty  
Running on, running blind  
Running on, running into the sun, but I'm running behind

Gotta do what you can just to keep your love alive  
Trying not to confuse it with what you do to survive  
At 23 I was getting high, and driving up the 101  
I dunno where I'm running now, I'm just running on

Running on, running on empty  
Running on, running blind  
Running on, running into the sun, but I'm running behind  
Running on, running on empty  
Running on, running blind  
Running on, running into the sun, but I'm running behind

Gotta do what you can just to keep your love alive  
I'd love to stick around, but I'm running behind  
You know I don't even know what I'm hopin to find  
Running into the sun, but I'm running behind
