

Wasted

FIDLAR

I'm out of town, you're out of luck
Let's get 68 more beers in the back of my truck
We're running deep, and drinking up
And I really, really, really, really, really, really, really wanna fuck
You're slowing down, I'm speeding up
So just jump in the back of my car and let's blow someone up

I'm wasted
So wasted
I'm wasted

We're running deep, and drinking up
And I really, really, really, really, really, really, really wanna fuck
You're slowing down, I'm speeding up
So just jump in the back of my car and let's blow someone up

I'm wasted
So wasted
I'm wasted

I'm wasted
So wasted
I'm wasted
