Field Medic

Tough when the sun goes down
Tough when the sun goes down
Hello moon
I'm your broken child
Your dog in denial
Do what you're gonna do

All of a sudden that, all of a sudden that dark thought
Ink blot
Ghost mask
Rorschach

All I need in my paradise is light in the room
All I need in my paradise is you

All of a sudden that, all of a sudden that dark thought
Ink blot
Ghost mask
Rorschach
Ghost mask

Can't go back
Can't go back
Can't go back
