

## i want you so bad it hurts

Field Medic

When I'm wearing high rise white denim  
I'm thinking about your legs  
I'm thinking about your eyes  
I wanna wake up in your arms  
Wish you would come over to my place  
Bring a couple of 32's  
We can pretend we ain't gonna fuck  
I want you so bad it hurts

When I'm wearing your doggie earring  
I'm thinking about your hips  
I'm thinking about your neck  
I wanna whisper in your ear  
Wish I could walk up 24th  
Backpack full of IPA's  
Make out & miss the train...  
I want you so bad it hurts

When I'm wearing a floral pattern  
I'm thinking about your shoes  
Both your low tops & your boots  
I wanna watch you get dressed...  
Wish we could break up on the beach  
Then drive back to my house  
And hook up on my bed  
I want you so bad it hurts
