

i wish you'd met me back when i was cute

Field Medic

I wish you'd met me
Back when I was cute
When I was happy
And had nothing to do
Before I was drinking
In the afternoon
Before I was crying
Alone in my room
I wish you'd known me
Back when I was cool
When I was happy
And working towards my goals
Before I was braindead
Scrolling on my phone
Before I was braindead
Before I had a phone
I wish you'd known me back when I was cute
