

///LIGHTHOUSE///

Field Medic

In solemn moments
These worn hearts
Fast collections
Writhe in the attic

But love's a femoral
It dies each day
With a sigh in dusk
So, nothin' matters

'Cause I'm not
Quite defeated
Just haunted

And by illusion
It's like a lighthouse
After a shipwreck
After a shipwreck

Sometimes I worry
'Cause you're just
Like me, and I'm
I'm not honest

But I'm not dangerous
I hurt myself all the time
But I'll never hurt you
My love, I promise

'Cause I'm not
Quite defeated
Just haunted

And by illusion
It's like a lighthouse
After a shipwreck
After a shipwreck
After a shipwreck

But I'm not dangerous
I hurt myself all the time
But I'll never hurt you
My love, I promise
