

## song i made up to stop myself from having a panic attack just now

Field Medic

Just relax my friend  
You are overthinking  
And even if there is a problem  
There's a solution  
Remember to breath  
Put your mind at ease  
Soon this feeling's gonna pass  
You will find relief

Just relax my friend  
You are overthinking  
And even if there is a problem  
There's a solution  
Remember to breath  
Put your mind at ease  
Soon this feeling is gonna pass
