

## Between Nations

Field Music

I thought that no-  
one would resist the urge to live and leave behind  
That no elaborate machinery would be required to keep a peace b  
etween...

...but could I have been wrong

I held the view that memory alone would serve to keep us all co  
ntracted to a common view without a forced design to keep a pea  
ce between...

...but could I have been wrong
