Can you function completely
Are you sure you're not hiding something

Without it can you function Or it is distract from your vision

Can you do something different like you're not supposed to

You're not supposed to (3x)

Your room remains the same You're existing in the same space

You can close your eyes
You'll always know
You can still touch what you've got when you're home

Can you do something different like you're not supposed to

You're not supposed to (10x)

Do something different like you're not supposed to

You're not supposed to (2x)

Do something different like you're not supposed to

You're not supposed to
