

## Volcane (Mr. Jealousy Has Returned)

Fields of the Nephilim

Mr. Jealousy has returned  
Yearning, yearning  
Mr. Jealousy has returned to reality  
All secured by humanity  
You're living in danger  
Mr. Jealousy has returned your hurting me  
Can't you see?  
Our love is in danger  
Living inside her this love volcano  
Now burn inside her this love volcano  
Living inside her this love volcano  
Now burn inside her this love volcano  
Mr. Jealousy has returned  
Mr. Jealousy has returned  
Living inside her  
Now burn inside her  
Volcano...  
Walk on...  
Volcano, Volcano, Volcano  
Yearning...
