Wail Of Sumer

Fields of the Nephilim

you can see the earth we're high here we're climbing over sumertown you can kiss the air we're gliding follow me for sumerland no sound life no essence we lay entranged in our curious ways memories lay beside us but I'm seeing through an age who I am through sumerland lead me taken from god forgivers sent in to the dark to play from life here I lead them taken away from where they layed getting old together to breathe myself free I'll stay we're high here forever no tomorrow no today through sumerland lead me
