

## Heretic

Fields

Come and see  
That drowns the land  
Heretic  
Fallen from  
His ivory tower  
Shake the walls  
Shack him to  
His work of strength

Weighs him down  
Chime a bell  
For all to hear  
Bring him here

Call to arms  
Your engineer  
Make me strong  
Build a wall  
To serve me well  
Build it tall

Focused on  
Your house outside  
Fence me in  
Wait in fear  
Inside your home  
Heretic
