

# Blinded and Bleeding

Fifth Angel

You played the part so perfectly  
I believed every dream you sold to me  
You lifted me up to the skies  
A queen of thieves, with soulless eyes  
Just to bring me crashing down to earth

Betrayed by the lies you told me  
Thirty pieces you bought and sold me  
Concealed in a heart of darkness I couldn't see

Blinded, and I just can't seem to find my way back home  
It's my hour of need  
Bleeding, in this deepest, darkest world that I have known  
It's my hour of need

I can't erase every thought of you  
How many souls, crying out the fools?  
I wear the scars, and here I stand  
Consumed by pain, how will this end?  
And now you brought me crashing down to earth

Betrayed by the lies you told me  
Thirty pieces you bought and sold me  
Concealed in a heart of darkness I couldn't see

Blinded, and I just can't seem to find my way back home  
It's my hour of need  
Bleeding, in this deepest, darkest world that I have known  
It's my hour of need

Betrayed by the lies you told me  
Thirty pieces you bought and sold me  
Concealed in a heart of darkness I couldn't see

Blinded, and I just can't seem to find my way back home  
It's my hour of need  
Bleeding, in this deepest, darkest world that I have known  
It's my hour of need

Blinded, and I just can't seem to find my way back home  
It's my hour of need  
Bleeding, in this deepest, darkest world that I have known  
It's my hour of need
