

Going Nowhere

Fifth Harmony

First off
Give a girl some credit
I'm a keep on loving you
'Cause you be the realest all day and all night
And that's why you stay by my side

I don't always
Do the right thing
And that don't matter
'Cause nobody's perfect you know
Heyyy
If you leave, I can't make you stay

Where you going, where you tryna go
Where you going, where you tryna go baby, baby?
Where you going, where you tryna go
Where you going, where you tryna go baby, baby?

Sit yourself down, 'cause you know you gonna stay
Boy, you better listen to the words I say
You ain't going noooooo where.
You ain't going noooooo where.
Boy, you better act like you got some sense,
'Cause you got a dime, and it's money well spent.
You ain't going noooooo where.
You ain't going noooooo where.

We'll be here all day,
If you start pointing fingers my way
I just wish you loved me, loved me, baby
If you can do that then I'll do the same... yeah

Mmm we can make it work, baby
We'd be crazy if (we) don't try
Love and hate is such a thin line.

Where you going, where you tryna go
Where you going, where you tryna go baby, baby?
Where you going, where you tryna go
Where you going, where you tryna go baby, baby?

Sit yourself down, 'cause you know you gonna stay
Boy, you better listen to the words I say
You ain't going noooooo where.
You ain't going noooooo where.
Boy, you better act like you got some sense,
'Cause you got a dime, and it's money well spent.
You ain't going noooooo where.
You ain't going noooooo where.

If you're waiting for me, you gonnna be waiting all night
If you're gonna play games, you're gonna lose
You'll be sorry if you say goodbye
Yeah, I still want you, but I don't need you
You should be happy, I'm still here for you don't have to be
You must be blind if you can't see.

Where you going, where you tryna go
Where you going, where you tryna go baby, baby?
Where you going, where you tryna go
Where you going, where you tryna go baby, baby?

Sit yourself down, 'cause you know you gonna stay
Boy, you better listen to the words I say
You ain't going noooooo where.
You ain't going noooooo where.
Boy, you better act like you got some sense,
'Cause you got a dime, and it's money well spent.
You ain't going noooooo where.
You ain't going noooooo where.

Sit yourself down, 'cause you know you gonna stay
Boy, you better listen to the words I say
You ain't going noooooo where.
You ain't going noooooo where.
Boy, you better act like you got some sense,
'Cause you got a dime, and it's money well spent.
You ain't going noooooo where.
You ain't going noooooo where.
