

# Goodbye

## Fifth Harmony

Why do we say goodbye  
When there's no good in it at all?  
My eyes just won't keep dry  
Every tear is a waterfall  
I'm holding on  
To all the memories I can recall  
Now I cherish every moment  
Big or small

Now that you're gone  
I hold on  
To all the laughs we shared  
And I'll never forget your smile

We've said hello a million times  
The hardest thing to do is say goodbye  
Goodbye, goodbye, goodbye, goodbye  
We've said hello a million times  
The hardest thing to do is say goodbye  
It's so hard to say goodbye

Not a day comes  
That I don't wish you were near  
But where ever you are  
I'm still holding you right here, here in my heart

I hope and pray  
That I'll see you once again  
'Til then I'll be looking forward to that day

We've said hello a million times  
Hardest thing to do is say goodbye  
Goodbye, goodbye, goodbye, goodbye  
We've said hello a million times  
The hardest thing to do is say goodbye  
It's so hard to say goodbye  
It's to say goodbye  
It's so hard, to say goodbye, goodbye, goodbye, goodbye
