Fifth Harmony

Do you have a moment? Boy we need a talk  
It's a conversation that's been coming on, oh  
Why you want me living like I'm in a cage?  
I'm just tired of hoping that you're gonna change, oh

I'm just out here baby living my life (my life, my life, my life)  
I just have to say you got no right

You're so sensitive baby  
And I love it about you  
But you're driving me crazy  
'Cause you're jealous in love  
You're so sensitive baby  
And I don't wanna hurt you but I'm moving on  
Yeah I'm moving on

Oh, baby

Boy you better man up, go and dry your tears  
Don't know where I'm going but I can't stay here  
You can find a new love, she can be the kind  
That'll let you keep her right there by your side

I'm just out here baby living my life (my life, my life, my life)  
I just have to say you got no right

You're so sensitive baby  
And I love it about you  
But you're driving me crazy  
'Cause you're jealous in love  
You're so sensitive baby  
And I don't wanna hurt you but I'm moving on  
Yeah I'm moving on

No question, you complete me  
But two empty halves make for one empty hole  
In the pit of my stomach and in the pit of my soul

I'm just out here baby living my life  
I just have to say you got no right

You're so sensitive baby  
And I love it about you  
But you're driving me crazy  
'Cause you're jealous in love  
You're so sensitive baby  
And I don't wanna hurt you but I'm moving on  
Yeah I'm moving on

Baby I'm movin'...
