

Darkness in Me

Fight The Fade

I can't allow myself to go that far
To where my whole world falls apart
I need to save my soul, it's the only thing I've got
But I don't know where to start

Can you see the darkness in me?
The side that I've been hiding
Can you see the darkness in me?
The dying light behind these eyes

How is it that you can see through me now?
When I keep trying to hold the world out
It's like you know who I am, who I was, who I could be
And you're still standing here in spite of everything

Can you see the darkness in me?
The side that I've been hiding
Can you see the darkness in me?
The dying light behind these eyes

Can you see the darkness in me?
The side that I've been hiding
Can you see the darkness in me?
The dying light behind these eyes

I need to save my soul, it's the only thing I've got
But I don't know where to start
