

## I Repent

## Fight The Fade

Bring me to a place of honesty  
Show me the selfish parts that live inside of me  
Take me by the hand and walk me through  
The years of pain and hurt  
That I chose not to walk with You

And I Repent  
For the Kingdom  
is near

And I Repent  
For the Kingdom  
is near

Search my heart oh God  
And make it new  
Take this breath from my lungs  
If I don't breathe for You

And I Repent  
For the Kingdom  
is near

And I Repent  
For the Kingdom  
is near

You are my one desire  
And I long to be with You  
And I know  
everything I need  
Is in You

And I Repent  
For the Kingdom  
is near

And I Repent  
For the Kingdom  
is near
