

# Tomorrow

## Fight The Fade

I keep going back, to the day we said goodbye,  
To day couldn't believe our eyes, and all they could do is cry.  
I wasn't ready to say goodbye  
I should have answered your call that night.  
that night...

If I would've known...  
We wouldn't have tomorrow,  
If I would've known...  
that I'd be here today.  
There's so many things,  
That I'd go back and change,  
If I would've known...  
That I'd be here today,  
I'd be here today...

Still its hard for me,  
to look at a picture of you knowing.  
that I missed that chance, to tell you I loved you again...  
this life is so desolate without you here...  
I would've thought by now,  
I'd run out of tears...  
out of tears...

If I would've known...  
We wouldn't have tomorrow,  
If I would've known...  
that I'd be here today.  
There's so many things,  
That I'd go back and change,  
If I would've known...  
That I'd be here today,  
I'd be here today...

don't let the sun go down before...  
you say what's on your heart...  
You might not get another chance.  
don't live your life in regret.

If I would've known...  
We wouldn't have tomorrow,  
If I would've known...  
that I'd be here today.  
There's so many things,  
That I'd go back and change,  
If I would've known...  
If I would've known...  
That I'd be here today,  
I'd be here today...
