Where's the Money, Lebowski?

Fightstar

It's come to this, you're covered in blood So how could you miss? Who are we are? Just take a seat you've lost the will to stand up on your own feet Who are we are? Stop believing you're precious And just take another hit for me Stop believing you're precious Because I gave you all that I could give It's come to this you're drenched in sweat So how can you sleep? Who are we are? Just take a seat you've lost the will to stand up on your own feet Who are we are? Stop believing you're precious And just take another hit for me
