

## Bright

Figurines

Descended from another time  
She searched her mind and fell aside  
I know what you want  
Three things of everything

Down south the night was shiny bright  
During moments there I held you damn tight  
And down south the moon was lowering  
For a moment there I felt nothing

Descended from another time  
She searched her mind and fell aside  
I know what they want  
Four things of everything

Down south the night was shiny bright  
During moments there I held you damn tight  
And down south the moon was lowering  
For a moment there I felt nothing

Down south the night was shiny bright  
During moments there I held you damn tight  
And down south the moon was lowering  
For a moment there I felt nothing
