Music has long been, my companion, since I was a child
And umm one of the main things that, I've always felt was that
this is my destiny
If there was something that, you have to do
Or something that you feel like you were called to do
This was it for me
Therefore it was important that I, made sure that evolved out o
f my soul, and out of the reality of my life
And I have come across so many, wonderful people that share the
same dream as I do
Therefore I now exist in Independence, along with those who hav
e come across the hard life like I have

Rogo sa ka na wekaqu

Vosa na e mai o tubu ni salusalu a va'amalolo

Me sa mai cavu
Me sa ta'i to'a ni qiri na walu
Me sa sita sita sitati
Me sa sita sita sitati
Me sa sawiri ta'i tale yani

Me sa sawiri sawiri sawiri
Me sa sawiri sawiri sawiri
Me sa sawiri ta'i tale yani

Isa oilei na va'asarava qiri mo ni tauco'o o a tamata
Au sa oca na va'asarava
Au rai vuli me va'amacala

Au rai vuli me qai macala macala macala

Isa oilei na va'asarava qiri mo ni tauco'o o a tamata
Au sa oca na va'asarava
Au rai vuli me va'amacala
Au rai vuli me qai macala macala macala
