Fiji

So many years gone by  
I don't seem to know the reason why, baby  
The most important thing in life  
Is for me to never make you cry, baby I  
I've been disappointing you in every single way  
And I'm really trying, the best that I can  
Sometimes it's hard, for a man to admitting  
When he's wrong, his own pride is the reason for his downfall

You are my inspiration  
The only reason why I'm still standing here today  
You are my inspiration  
I will never leave your side  
Til the day I die  
Ooh baby

You know your wish is my command  
And it's hard to change me I really understand, baby  
Responsibilities at hand  
And it really calls for a man to be a man, baby I  
I have been a fool too long  
And I really need to stop making excuses and sad songs  
And face the music, that's been playing to the beat of my heart for so long  
Baby I could never imagine me being with just one person for all this time  
So I gotta take my hat off, to the one and only true love of my life

You are my inspiration  
The only reason why I'm still standing here today  
You are my inspiration  
I will never leave your side  
Til the day I die

If I didn't let you know  
I gotta let you know

You are my inspiration  
The only reason why I'm still standing here today  
You are my inspiration  
I will never leave your side  
Til the day I die

Til the day I die

You are my inspiration  
The only reason why I'm still standing here today  
You are my inspiration  
I will never leave your side  
Til the day I die
