

# One And Only

Fiji

Oh...oh...oh...  
Ai...ai...  
Na na na na na na na na na  
Oh...ai...ah baby

So much mixed emotions going through my mind  
I got a feeling  
You're letting me know something tonight  
Tell me if it's so, you're gonna let me go  
Let me know, girl  
Don't wanna be surprised by anything  
Now what is driving me crazy  
Is that I wouldn't hurt you baby  
There is no kind of intentions  
No mixed kind of a signal  
Let me just go if you want me to go  
I wouldn't hold it against you  
Ooh...  
You're my one and only baby boo...

What makes you think that I wanna hurt you baby, ooh...  
Never in this world would I ever touch you honey  
You're my baby  
What makes you really think that I wanna hurt you honey, ooh babe  
Never in this world would I ever break you baby  
You're my one and only  
You're my one and only, baby, baby

I bought you diamonds bought you all the pearls  
Just to show you you're my only girl  
Why do we have to fight?  
Each and every night, yeah  
Maybe some day it'll dawn on you  
Thinking I was just a common fool  
But no... life without me can be so cold

What makes you think that I wanna hurt you baby  
Never in this world would I ever touch you honey  
You're my baby  
What makes you really think that I wanna hurt you honey  
Never in this world would I ever break you baby  
You're my one and only  
You're my one and only, baby, I'm confused

Baby I am confused  
Girl I know what's true that I choose  
And it hurts my feelings when you tell me you feel used and abused  
Girl I just don't know what to do  
I really don't want to lose you  
Baby I tried my best  
Well I tried to grant your every wish  
Everything that you want I got to give it as a gift  
Know that, love get old now it's time for us to split  
And it hurts because I love you more than just a little bit  
Girl

What makes you really think that I wanna hurt you baby

Never in this world would I ever touch you honey  
You're my baby  
What makes you really think that I wanna hurt you honey, ooh babe  
Never in this world would I ever break you baby  
You're my one and only  
You're my one and only, baby  
You're my one and only  
You're my one and only
