

One More Time

Fiji

Been loving you from afar
Like a distant star
Waiting to take my chance
For a little romance
Oh girl I want more than a dance with you
And I can't wait another minute
I hope you feel what I'm feeling, oh

Maybe something takes over me
Everytime when I feel you near
Like a hole in my heart
Gonna take a special touch
Baby you're what I want and I need you right now

Sai iko
Na noqu I sakisaki
Veibogi
Ko ni dau vinakati tuga
Lei lewa
Ko ni sa rui yawa mai vei au
