

Sweet Darlin'

Fiji

Mmm... Oh-ho...

We've been together a while
And I don't mean to cramp your style
Sometimes I wonder just how things happen this way
And I'm just reminiscing of that one whole night we would spend
You'd pick me up every morning
And I'd just been through with the club
I never thought that a girl could love a man this much
I am overwhelmed and baby, I just can't thank you enough

And I'm wondering oh, sweet darlin (Now tell me)
What did I do to deserve you (What did I do, babe)
What did I say to make your angel eyes turn my way (If only I had)
If only I had the world, I'd give it all to you, babe (givin it all)

Now I'm about to leave for the road
I'll take you with me in my heart
And I really pray the Lord, my soul to keep
And maybe just one request, keep me in your dreams

And I'm wondering oh, sweet darlin (Please tell me)
What did I do to deserve you (Ooh)
What did I say to make your angel eyes turn my way (What did I do baby, oh)
If only I had the world, I'd give it all to you, babe (givin it all)

And I'm wondering oh, sweet darlin (What did I do)
What did I do to deserve you (What did I say)
What did I say to make your angel eyes turn my way (Ooh...ooh...ooh...ooh...)
If only I had the world, I'd give it all to you, babe (give you everything I got, baby)

And I'm wondering oh, sweet darlin (Sweet darlin, baby)
What did I do to deserve you (What did I do to deserve)
What did I say to make your angel eyes turn my way (Ooh...ooh...hoo...hoo...)
If only I had the world, I'd give it all to you babe (Said I'm givin it all to you, baby)
Said I'm givin it all to you, baby
