

# Why You

Fiji

Yeah-yi-yeah-yo (Ooh... ooh... yeah)  
Yeah-yi-yeah-yo (I-yeah-yi)

When you came and told me that you don't want to stay  
And you turned around and you just walked away  
I never knew that the day would come  
When you would take my heart and drop it on the ground

(Why you) Why you want to break my heart  
(Why you) Didn't tell me from the start  
Why you want to break my heart  
And leave me on my own

(Why you) Why you want to break my heart  
(Why you) Didn't tell me from the start  
God please help me find someone  
Who sees me as I am

Yeah-yi-yeah-yo (I-yeah-yi)  
Yeah-yi-yeah-yo (Oh... ooh... hey)

Maybe you might think that this was just circumstance  
Here I am believing that it was romance  
Why did you even do the things that you do  
When in your heart you knew that I would die for you

(Why you) Why you want to break my heart  
(Why you) Didn't tell me from the start  
Why you want to break my heart  
And leave me on my own

(Why you) Why you want to break my heart  
(Why you) Didn't tell me from the start  
God please help me find someone  
Who sees me as I am

Now there was a time when you and me was for life  
Maybe I even had dreams of seein' you as my wife  
Walkin' down the aisle, but it was all a dream  
With your funny, funny style, you was focused on the cream  
You should've seen the real deal, the true feel  
Instead of steerin' my heart with hatred  
You gave up what was sacred  
Between us you saw nothing' but lust  
Now you're dealin' with something more dangerous  
I'm losin' my mind

Don't lose your head, just stay strong, my brother  
I'm really doing the best to try, I'm only human, I do cry  
God will provide all of your supply  
Â?Cause I'm a child of destiny, so I will give it all to Him

(But why you) Why you want to break my heart  
(Yeah) Didn't tell me from the start  
Ooh, why you want to break my heart  
And leave me on my own

(Why you) Why you want to break my heart  
(Oh, why you) Didn't tell me from the start  
God please help me find someone  
Who sees me as I am

Yeah-yi-yeah-yo (I-yeah-eh-eh-hey)  
Yeah-yi-yeah-yo (Yeah-yi-yeah-yo)  
Yeah-yi-yeah-yo (Oh... oh... yeah)  
Yeah-yi-yeah-yo (Ah... ha... ha...)
