Fil Bo Riva

Hey girl do you wanna' be mine  
Ask you ten times this day  
With me so I can feel fine  
And leave the bad things all behind  
For us because it feels right  
Uh yes to fix a ride I could die (I could die)  
Loving you (Loving you)

Loving you makes me blind (uh)  
Makes me blind (ahahahah)  
Blind (you)  
Blind (you)

Hey girl you are like the police  
You tell me get on your knees  
Baby please don't crucify me  
Don't break it up don't break it down  
I feel a controversy  
Lets fix a ride I could die (I could die)  
Loving you (Loving you)

Loving you makes me blind (uh)  
Makes me blind (ahahahah)  
Blind (you)  
Blind (you)  
Blind (you)  
Blind (you)
