

Different But One

Fil Bo Riva

It's time it's time to break what's comfortable
If this is love this love is animal
It's time to break the things that we've been told
The stories of the gods when they grow old - they grow old... oh oh

Can't you see, this isn't real yet
Can't you see, can't you see, this isn't real yet, real yet... for me

You say we're different, love's on your side so tell me why, why do you cry?
We're not that different, dreams in your eyes...
Your eyes... your eyes...
Your eyes... your eyes...

Aah aah aah aah

Go go
Go go, gorilla take where you go - oh
Let it out, let it out
Go go, gorilla take where you go - oh
Take me with you, take me with you

Can't you see? this isn't real yet...
They told us, the gods couldn't save us
They found love, in your misbehavior - oh!
But in your dreams, on repeat, heaven can save us

Go go, gorilla take where you go - oh
Let it out, let it out
Go go, gorilla take where you go - oh
Take me with you, take me with you

La la la... diversi
La la la... why do you cry?
La la la... diversi
Dreams in your eyes

Your eyes... your eyes...
Your eyes... your eyes...

We're different but one, she said
She pulled out a gun, bang bang
We're different but one, she said
She pulled out a gun, bang bang
We're different but one...
We're different but one...

Oh love please - believe I've been thinking of you, dreaming of you
Don't look back - don't be sad, you're alone in my mind, all of the time
Why is she laughing at me?
Oh love see? in the end I was thinking of you, dreaming of you
Don't be sad, just cause mama told you „love is hard”, it's not that hard!
Why is she laughing at me?
Why is she laughing at me? me?
Who is she laughing at?
Who is she laughing at?

Oh love life is a wonderful party, so party...
