

Everything's Illusion

Fil Bo Riva

See the moon rising
See the sun smiling
But I just want more
And I just want more
Feel my heart hiding
Fading into the silence
But I just want more
And I just want more

It was never enough
I'm losing the light in my eyes
And it was never enough
I'm losing the light

Tell me, what do you want?
Your heart is so distant
My illusion, everything is losing
Meaning to me
Why are you so distant?
Are we losing?
Everything's illusion
Ohh

I've tried to be someone
For way too long
And I can't let go
No I can't let go
I've been thinking too much lately
What's the meaning of life to me?
And I can't let go
No I can't let go

It was never enough
I'm losing the light in my eyes
And it was never enough
I'm losing the light

Tell me, what do you want?
Your heart is so distant
My illusion, everything is losing
Meaning to me
Why are you so distant?
Are we losing?
Everything's illusion
Ohh
Everything's illusion

[illegible]

And I just want more
And I can't let go
And I just want more
And I can't let go
And I just want more
And I can't let go
And I just want more
And I can't let go
And I just want more

Tell me, what do you want?
Your heart is so distant
My illusion, everything is losing
Meaning to me
Why are you so distant?
Are we losing?
Everything's illusion
Ohh
Everything's illusion
Ohh
Everything's illusion
Ohh
Everything's illusion
Now I see the light in your eyes
