

Is It Love?

Fil Bo Riva

Is it love, that I'm feeling now?
Am I being slow? I don't know
I'm the preachers son, always on the run
I'm a lonely heart, never home

Lala lala lala
You're tired of waiting for...
You're tired of waiting...

Is it love I fear? Because I'm fading away
Is this all I need, I don't know?

But all I want is you
Yes all I want is you
And all I want is you

I'm a fallen guy, far away from home
Am I being slow, I don't know
And just like the sun at night, I am tryna hide
Scared of this game of yours, I'm alone

Lala lala lala
You're tired of waiting for...
You're tired of waiting...

Is it love I fear? Because I'm fading away
Is this all I need, I don't know?
Is it love I fear? Because I'm fading away
Is this all I need, I don't know?

But all I want is you
Yes all I want is you
And all I want is you
