

L'over

Fil Bo Riva

L'over

You like what I write, lover
Love is sweet when you're strange
Can I see what I want, honey?
Simple words just for you
Now sing

Na, na, na na, na na na, na
Na na, na na na, na
Na na, na na na, na, whoa
Na, na, na na, na na na, na
Na na, na na na, na
Na na, na na na, na

L'over

Can I do what I want, baby?
I know it all seems strange when I'm gone
But can I sing what I like, honey?
Beautiful sadness, simperin' words
Now sing

Na, na, na na, na na na, na
Na na, na na na, na
Na na, na na na, na, whoa
Na, na, na na, na na na, na
Na na, na na na, na
Na na, na na na, na

Sing me a song
If you feel lonely
You are not the only
You can find it
You can find it
You can find it

L'over

Sing it when you're lonely
You are not the only
Sing it out loud
Sing it out loud
You are not the only
You are not the only

Sing me a song
If you feel lonely
You are not the only
You can find it
You can find it
You can find it

L'over

Sing it when you're lonely
You are not the only
Sing it out loud
Sing it out loud

You are not the only
You are not the only

Na, na na na, na
Na na na na
