

# MASH (Suicide is painless)

filmové melodie

**Dmi7 G7**

Through early morning fog I see

**C Ami**

visions of the things to be

**Dmi7 G7**

the pains that are withheld for me

**C Ami A7**

I realize and I can see...

**Dmi7 G7**

R: That suicide is painless

**C Ami**

it brings on many changes

**Dmi7 G Ami**

and I can take or leave it if I please.

I try to find a way to make  
all our little joys relate  
without that ever-present hate  
but now I know that it's too late, and...

R: Suicide is painless...

The game of life is hard to play  
I'm going to lose it anyway  
the losing card I'll someday lay  
so this is all I have to say

R: Suicide is painless...

The only way to win is cheat  
and lay it down before I'm beat  
and to another give my seat  
for that's the only painless feat

R: For suicide...

The sword of time will pierce our skins  
but as it works its way on in  
it doesn't hurt when it begins  
the pain grows stronger watch it grin

R: And suicide...

A brave man once requested me  
to answer questions that are key  
is it to be or not to be  
and I replied 'oh why ask me?'

'Cause suicide is painless  
it brings on many changes  
and I can take or leave it if I please  
...and you can do the same thing if you please.
