

## Can't Wait

Filous

On the floor, watch the door  
Lay awake, can't wait to see you again  
On the floor, watch the door  
Counting days, can't wait to see you again

On the floor, watch the door  
Lay awake, can't wait to see you again  
On the floor, watch the door  
Counting days, can't wait to see you again

I can't wait, I can't wait  
I can't wait, can't wait to see you again

On the floor, watch the door  
Lay awake, can't wait to see you again  
On the floor, watch the door  
Counting days, can't wait to see you again

I can't wait, I can't wait  
I can't wait, I can't wait  
I can't wait, I can't wait  
I can't wait, can't wait to see you again

I can't wait, I can't wait  
I can't wait, I can't wait  
I can't wait, I can't wait  
I can't wait, can't wait to see you again
