

Monday

Filous

Oh when I first saw you
With those Levi's 'round your waist
And those freckles on your face
I knew
I told my best friend
"Before I leave here tonight
He will have me on his mind"

Couldn't help my feelings
When I saw you leaving
I just had to come say hi
And I know it's the weekend
And the girls come creeping
So just let me say this right

I wanna see you on a Monday
If that's alright
I wanna see you on another day
A different time
I wanna see you on a Monday
If that's okay
I wanna see you in another light
A different place

I wanna see you on a
I wanna see you on a
Monday

I wanna see you on a
I wanna see you on a
Monday

Oh yeah, I like the way
I don't even know your name
Something 'bout you makes me feel
So new
Don't do this every day
But for you I'll take this shot
'Cause I'm seeing polka dots

Couldn't help my feelings
When I saw you leaving
I just had to come say hi
And I know it's the weekend
And the girls come creeping
So just let me say this right

I wanna see you on a Monday
If that's alright
I wanna see you on another day
A different time
I wanna see you on a Monday
If that's okay
I wanna see you in another light
A different place

I wanna see you on a

I wanna see you on a
Monday

I wanna see you on a
I wanna see you on a
Monday

When you go to sleep
Will you think of me?
When you go to sleep
Will you think of me?

I wanna see you on a Monday
If that's alright
I wanna see you on another day
A different time
I wanna see you on a Monday
If that's okay
I wanna see you in another light
A different place

I wanna see you on a
I wanna see you on a
Monday
I wanna see you on a
I wanna see you on a
Monday
