

## Face Down

Filter

I'm alive from telling the truth  
I'm alive cuz I don't lie to you  
Watching all the hate go down  
Watching the mistakes go down  
I'm alive cuz I tell the truth yeah

You left me here face down  
Spilling blood on the higher ground  
You left me here face down  
Spilling blood on the higher ground  
Spilling blood on the higher ground

Something inspires the things I do  
Something gives rise to things I do yeah  
Watching all the hate go down  
Watching the mistakes go down  
Something inspires the things I do yeah

You left me here face down  
Spilling blood on the higher ground  
You left me here face down  
Spilling blood on the higher ground

Only love can see us through  
Just like them Beatles say  
Only love can see us through  
Just like them Beatles say

You left me here face down  
Spilling blood on the higher ground  
You left me here face down  
Spilling blood on the higher ground  
You left me here face down  
Spilling blood on the higher ground  
You left me here face down  
Spilling blood on the higher ground  
(You left me here)  
Spilling blood on the higher ground  
Spilling blood on the higher ground  
(You left me here)  
Spilling blood on the higher ground  
Spilling blood on the higher ground  
(You left me here)  
Spilling blood on the higher ground  
Spilling blood on the higher ground
