

Take Me To Heaven

Filter

Looking at you for all my answers
Bright blue eyes that go dark and then shut

Now that you're gone there's a reason to get strong
A light has shown the truth
But we're all left here with a single fear
And it's all because of you

Take me, take me to heaven
Watch me go bye bye
To the sky
Take me, take me to heaven
Watch me go bye bye
To the sky

Words in a book with burnt up pages
The meaning of which is lost to the ages

Now that you're gone there's a reason to get strong
A light has shown the truth
But we're all left here with a single fear
And it's all because of you

Take me, take me to heaven
Watch me go bye bye
To the sky
Take me, take me to heaven
Watch me go bye bye
To the sky

Turn the pages that fade through the ages
A love of truth not faith and faces
(A love of truth not faith and faces!)

Take me, take me to heaven
Watch me go bye bye
To the sky
Take me, take me to heaven
Watch me go bye bye
To the sky
Take me, take me to heaven
Watch me go bye bye
To the sky
