

The Movie The Dream Within

Final Fantasy

Free... the dream within
The stars are crying, a tear
A sigh
Escapes from heaven, and worlds end
Breathe... the dream within
The mystifying

We tremble and spin
Suspended within

Look beyond, where hearts can see
Dream in peace
Trust love, believe

Free... the dream within
A voice is calling, a song
A prayer, from deep inside you
To guide you
Be... the dream within
The light is shining

I fly on the wind
Salvation begins
Look beyond where hearts can see
Dream in peace
Trust love, believe

Free... the dream within
The stars are crying, a tear
A sigh, escapes from heaven
And worlds end
