

# It Is Well

## Finding Favour

When peace is like a river, rushing my way  
When trouble's like an ocean, wave after wave  
It is well  
I don't know all the answers but I know that You are good  
And You are always faithful, no matter how it looks  
It is well

It is well with my soul  
It is well through the highs and lows  
You're on my side, You're for me I know  
It is well with my soul

Your Spirit's my assurance when trials may come  
I'm holding to the promise that You've already won  
It is well  
And all my sin and shame, I bear it no more  
It's nailed to the cross, forever I am Yours  
It is well

It is well with my soul  
It is well through the highs and lows  
You're on my side, You're for me I know  
It is well with my soul

In the fire and the flames  
In my pain  
You are with me  
This is not the end  
You're not finished yet  
You're still moving  
No matter what I've lost  
Or what it costs  
My heart will sing

It is well with my soul  
It is well through the highs and lows  
You're on my side, You're for me I know  
It is well with my soul  
Oh, it is well with my soul  
It is well through the highs and lows  
You're on my side, You're for me I know  
It is well with my soul  
It is well with my soul

'Til I reach the day  
When my faith shall be sight  
And I see it all so clearly  
Standing in Your light  
It is well
