

Alone in the dark for days  
Eyes shut deep in the grave  
They all thought that's where I'd stay  
But no death could ever keep  
Your life from reaching me  
When that stone between us rolled away  
The moment I heard you call my name  
Everything changed

I'm a waking sunrise, a new creation inside  
Forever remade the old washed away, nothing like before  
I'm a child of your light, I am reborn, I am reborn

You hit like a blinding light  
Your mercy broke through the sky  
All that I was now redefined  
I'll run and I won't look back  
To you with each breathe I have  
My hopelessness I leave behind

I'm a waking sunrise, a new creation inside  
Forever remade the old washed away, nothing like before  
I'm a child of your light, I am reborn, I am reborn

I was a dead man walking, I was a wanderer  
A desperate heart that needed more  
Now I'm washed in living water, my hope has been restored  
Forever I am reborn, forever I am reborn,

I'm a waking sunrise, a new creation inside

I'm a waking sunrise, a new creation inside  
Forever remade the old washed away, nothing like before  
I'm a child of your light, I am reborn, I am reborn, I am reborn,  
I am reborn, I am reborn.
