

Don't Ask Me To Choose

Fine Young Cannibals

You're going away you stay from hell
Don't be stupid no I'm not upset
Have you got all you need?
Enough to eat and a book to read?

I hope you have a wonderful time
Here's a stamp just drop me a line
If you meet somebody that you like
Remember who you left behind

Don't ask me to choose honey
There's such a lot we've got to do
Don't ask me to choose honey
'Cause either way we stand to lose

It's a risk we've got to take
Though it could prove a grave mistake
Honesty when love may break
The very least it will just change its shape

And by the end maybe it's to late
An by the end maybe I will hate you
For leaving me on the ground

Don't ask me to choose honey
There's such a lot we've got to do
Don't ask me to choose honey
'Cause either way we stand to lose

Don't ask me to choose honey
There's such a lot we've got to do
Don't ask me to choose honey
'Cause either way we stand to lose

Don't ask me to choose honey
There's such a lot we've got to do
Don't ask me to choose honey
'Cause either way we stand to lose

Leaving me on the ground
