

(Twist y'all niggas up)
(Twysted Genius, baby)
Two of 'em

I ain't riding no rap nigga dick, I don't need no rap nigga cosign
I ain't fucking with him, I ain't fucking with you, so you can't say I'm playing both sides
I want twenty-five for a feature, ten for the video, don't try to bargain
'Cause where was you when I was starving?
Facing thirty years for them charges
These niggas in competition
Better not cross that line, I'm superstitious
Better not give up a dime to these groupies bitches
Niggas beefing on songs, they dry snitching
Wanna get me locked up, can't do nothin' with me
VVS Skydweller was one fifty
I ain't followin' no trends, I'm settin' 'em
Streets say I'm the god, I blessed 'em
Niggas bet that I lose, I'm bettin' 'em, I put that on my life, I'ma run up a B
I'm breakin' these hoes, you sweatin' 'em, better not give a ho shit, she go n' fuck off the P
From the D to the A
From the A to the H, from the H to the Bay
Hundred K every state
I just ran up a half mill' in a day
What record label? I don't need your guidance, don't try to sign me
I just landed private
Unloaded the jet, pulled off in a hybrid
VVSS from Wafi
She say she want a chain, I told that bitch, "Stop it"
You already know how the motto go, bitch, sock it to a nigga pockets
Bring me that, go run me up some more, on my way to the show in a Lambo'
They was dissing me while I was in jail, now these niggas done ran out of ammo
I know that they watching, I know that they listening, but they ain't saying shit
And if them niggas wanna kill me, my nigga, then why the fuck is I ain't dead yet?
Niggas doin' all that dope talk, how the fuck is you ain't gone fed yet?
Ride 'round with a rat nigga, why the fuck he ain't shot in the head yet?
And my paperwork read, "No cooperation, no assistance to the government"
It was ugly
Now it's lovely
If a price on my head, I double it
If a price on my head, I triple it
If a price on my head, I triple it
I just came in a ho face so hard, you would've thought it was triplets
They was waitin' on me and debatin' on me
I was locked up, they was hatin' on me
They was preyin' on me, I was prayin' for 'em
These niggas bitches in man form
Preyin' on me, I was prayin' for 'em
These niggas bitches in man form
