

No Love

Finesse2Tymes

I miss my dogs
Oh, yeah, oh, yeah
I miss my dogs
Pour one out for my niggas
These streets don't show no love (It's crazy)
No love, no love

It ain't no love, just lies (No love)
I done fell out with all my guys (Fuck)
I done fell out with all my rounds (Damn)
Feel sorry for none of them clowns (At all)
I was dealing with flaws, you ain't understand me, and I ain't forcing relations (Did not)
I wanna slide, but my kids need me, top of that, I'm on probation (On federal)
Know they wanna ban a nigga (For real)
Can't believe I ran with niggas (For real)
Cuh back in the feds, I'm praying them folks don't try to enhance my nigga (I'm prayin' for you)
I told my mama, "Be patient" (Be patient)
Now I gotta go pay for her cases
Do this shit for my next generation (Huh)
I don't like it but gotta embrace it (Damn)

My bros
My bros (Feels like)
My bros (I'll get over one situation)
Man, I miss my dogs (And then two more come)
Rest in peace to all my dogs (Same day I found out my girl was talkin' down on me)
Pour one up for my dogs
These streets don't show no love (I get a call, my CPN, talkin' 'bout [?], and I don't even know [?])
No love (Haha, this shit crazy)
No love (This shit come from the heart, I can't make it up)
These streets don't show no love (I don't know how to do that)
No love
These streets don't show no love

Own blood brother wanna see me down, help me understand this shit (Help me understand)
Expressing my feelings on social media, like I'm less than a man and shit (I'm trippin')
Nigga dropping my lo' (What the fuck going on?)
Must think I'm a ho (Get put on the floor)
Nigga wanna beef, I stay out the streets, I'm better off in the 'yo (For real)
They like, "What happened with you and Big A?" (Huh?)
I don't even know what to say (I don't know)
I used to laugh and kick it with niggas, now I don't even wanna play (I don't play shit)
Model bitches, sneaky (They wanna get me)
Baby mama leechin' (Baby mama reachin')
Family wanna meet me (Hold on)
Where was you when I needed you? (Where was you?)
I ain't gon' lie, I believed in you (I did)
I gave you the benefit of the doubt (I did)

If he lied once, he'll do it again, believe nothin' come out that nigga mout
h (Bet' not)
Lil Ju, stay the same, don't switch on me (Please)
Got a fully, a Drac', and a switch on me (On God)
When I think about Lando it get to me (It hurt)
Ain't love, no feelings, no sympathy (Empathy)

My bros
My bros
My bros (When I first came out, right?)
Man, I miss my dogs (I remember having like)
Rest in peace to all my dogs (Ten to fifteen niggas around me)
Pour one up for my dawgs (Like every day, like)
These streets don't show no love (Now it's just three of us)
No love (No)
No love (Always say less than necessary)
These streets don't show no love (The less you say)
No love (The more intimidating and powerful you are)
These streets don't show no love

Shit make you cold-hearted
Watchin' everybody
You
Too
