

Twisted ya'll niggas up
Who made this beat?
Twisted Genius baby

Bulletproof Cadillac I'm moving around this bitch like Biden
Rapper niggas been quiet bruh them niggas must have retired (They quit)

Them niggas must've gave up they laid up, they days up
Look at me I phased they went to sleep I stayed up
Woke em up they wide awake just sent my ho outta state
Them niggas expired take them off the shelf they outta date
Fucked a rapper bitch when we out I make her hide her face
Don't be mad at me get yo hoe she the one outta place
Witness said they seen my face plead the fifth I beat the case
Feds get behind and I'm strapped I'ma high-speed the race
They got me on Federal probation this shit gotta stop
I'm outnumbered I gotta go against the feds and the opps
Fuck em both twenty-five hundred on a Gucci tee like who he is
(Who he is)

Them niggas was up on me they blew the lead (They blew the lead)

I'm two and three I took a few losses now but I'm bouncing back
I was living in the bathroom look at my houses now
Got rappers on life support they might as well pull the plug
Talking about murders in your rhymes
You might as well tell the judge
Don't take shit personal I'm going off what I see
Facebook ass niggas solving crimes for the police
I'm minding my business getting these millions now children lit
No flaws on my name flawless diamonds got me jewelry hitting
Investing in stocks and bonds still moving with Glocks and drums

We buying Zs by the tons Mob Ties bitch I'm a Don
When I'm in your city show me love twist ya fingers up
Stop all the sneak dissing boy play pussy and get finger fucked
Glock got a switch and dick
Fire from the stick when he hit
I'ma stand-up nigga and you a bitch bet he sit when he piss
Bet he sit when he piss (when he piss)
Bet he sit when he piss (when he piss)
Bet he sit when he piss (when he piss)
Glock gotta switch and a dick
Fire from the stick when he hit
