

Pure Pressure

Finesse2Tymes

You know I dwell amongst lions, tigers, and bears partna
Where only the strong survive, y'know what I'm sayin?
This my muthafuckin' testimony nigga

Double styrofoam, kush is my cologne, Brazilian in her head I'm
gettin' thousand dollar dome
Million dollar mind, billion dollar grind, rappers worth these
millions spittin' million dollar lies
Neglectin' they city, disownin' they niggas, you can only be re
al ain't no such thing as realer
Buds gettin' stronger, money gettin' longer, bitch I drink Ciro
c my plug drink Corona
Speedin' through my city on that dough, it's an eye for eye
Nigga bust at me I'm bustin back call that five for five
Five grams smokin' sour diesel, bitch I'm 'bout to cry
She said she couldn't swallow all my dick, but she had to try
Oh my God, oh my fucking God, is you serious
Prince of Memphis next and that's end of discussion period
One zero comma, zero zero comma
Zero zero zero comma, bitch I got my llama
Free Hotboy the gunna, shouts out to my runners
I come from the dollar menu shouts out to McDonald's
Streets will take you under, but I'm still in 'em
Found out he was snitching and you still hangin' with 'em
Oh No, two-fifty a 'bo three-fifty or mo'
Real shit, nigga that don't make you fake because you broke
When you rep the streets but you ain't in 'em, nigga you a ho
Hey, I'm on the frontline nigga and I'm trained to go hey
Run off with my pack you just get by, you don't get away
I'm a convicted felon with this 30, I ain't finna play
Bitch you know I come to get some face, I ain't finna lay
And I swear that pussy gon' get beat, you know anime
Ike, Actavist and Sprite, Louboutins with spikes, [?], Pérignon
and ice, steak and brown rice
That's just life, niggas turn to dikes, niggas losin' stripes
It's aight, I'm high as a kite and I hit that shit twice (Gone)

Double styrofoam, kush is my cologne, Brazilian in her head I'm
gettin' thousand dollar dome
Million dollar mind, billion dollar grind, rappers worth these
millions spittin' million dollar lies
Double styrofoam, kush is my cologne, Brazilian in her head I'm
