

Ceiling Won't Break

Finish Ticket

What can I do, what can I say?
When it's always on my mind
Always on my mind anyway
I see their lives coated in gray
But it's home to me too
I topped the hill, now I must fall
But it's always a surprise
Takes me for the ride every time
Lowest of lows, darkest of darks
I'm just holding my breath
I see no lights cuz the lights weren't aimed at me
And every night's just a day that failed to be
At it again, darkest of darks
And I'm over my head
Yeah, I'm over my head

And I try to ride the highs
But the, the lows are standing by and
And though I do my time, no the
Ceiling won't break, the ceiling won't break
And I try to ride the highs
But the, the lows are standing by and
And though I do my time, no the
Ceiling won't break, the ceiling won't break

I close my eyes, takes me away
And I go to better times
But reality draws that line
I felt alive just for the stay
Then it's back to my ways
I see no lights cuz the lights weren't aimed at me
And every night's just a day that failed to be
At it again, darkest of darks
And I'm over my head
Yeah, I'm over my head

And I try to ride the highs
But the, the lows are standing by and
And though I do my time, no the
Ceiling won't break, the ceiling won't break
And I try to ride the highs
But the, the lows are standing by and
And though I do my time, no the
Ceiling won't break, the ceiling won't break

No the ceiling won't break...

And I try to ride the highs
But the, the lows are standing by and
And though I do my time, no the
Ceiling won't break, the ceiling won't break
And I try to ride the highs
But the, the lows are standing by and
And though I do my time, no the
Ceiling won't break, the ceiling won't break
