

# Don't Go

## Finish Ticket

It's that time of year, we all walk with our heads down  
Enjoy the pretty view  
Of our city at its best, well  
It reminds me of you  
Where the sun still shines on a day like this  
Well I don't want it to end, so  
So please don't go  
Well I don't want it to end, so  
So please don't go  
Yeah, please don't go  
Yeah, please don't go  
Yeah, please don't go

This might as well be life underwater, we  
We go so deep  
And you are my retreat, so  
Can you help me to my feet?  
And watch the world pass by we couldn't  
Care any less  
'Cause I got you  
You've got me

But I don't want to end, so  
So please don't go  
But I don't want it to end, so  
So please don't go  
Yeah, please don't go  
Please don't go  
Go

'Cause we're stuck  
Between seasons  
And got no reasons  
For why we feel like this  
Again, between seasons  
And got no reasons  
For why we feel like this  
Again, maybe you could tell me why  
Yeah, why?

Maybe sometimes all we need  
Is a little bit of a life, well  
Maybe all I need is you  
So won't you shine on me?  
Shine on me

Go  
Yeah, please don't go  
Go  
Yeah, please don't go  
Yeah, please don't go  
Please don't go  
Please don't go  
Yeah, please don't  
Go  
Please don't go
