

## Float Away

Finish Ticket

Every damn day's like a Sunday  
The world has gone still, am I okay?  
Not good, I think bad, or somewhere in between  
Boredom leads to bad thoughts in my head  
Gripping down hard on the bed spread  
Wishing you were here right next to me

Cause I got all day  
And a restless mind  
We could escape  
If you could make some time  
Oh, oh, oh

You're not coming down this time  
Make you weightless inside  
I want to feel you float away  
Oh, oh, oh  
In between you is night sky  
My mouth is an endless sunrise  
I want to feel you as you pray  
And float away

And float away

Walk into the room trying to find you  
See you sitting there on the sofa  
Blanket barely covering your lap  
I wanna put my head underneath it  
You could stay there right where you sit  
Let the television fade away

Cause we got all night  
And restless minds  
We could escape  
I wanna take my time  
Oh, oh, oh

You're not coming down this time  
Make you weightless inside  
I want to feel you float away  
Oh, oh, oh  
In between you is night sky  
My mouth is an endless sunrise  
I want to feel you as you pray  
And float away

You're not coming down this time  
Make you weightless inside  
I want to feel you float away  
Oh, oh, oh  
In between you is night sky  
My mouth is an endless sunrise  
I want to feel you as you pray  
And float away

And float away
