

Cold Feet

Fink

Cold feet always walk in a vicious circle
Cold feet always walk in a vicious circle
Oh cold feet yeah

Always taking you nowhere
Cold feet always walk in you nowhere

Cold feet always walk in a vicious circle
Cold feet always walk in a vicious circle

Cold feet, cold feet, cold feet, cold feet
Cold feet, cold feet, cold feet, cold feet

Cold feet
They don't walk your path at night
Cold feet don't walk your path at night

Cold feet always walk in a vicious circle
Cold feet always walk in a vicious circle
